What To Expect
ORDERING APPOINTMENT

At your ordering appointment you will be able to relive all of the moments from your engagement session through a beautiful slideshow of your portraits. After enjoying seeing your images for the first time we will start to narrow down your absolute favorites. We will discuss what purchases you've been thinking about whether it is wall art, albums or an interactive guest book to showcase your portraits on your wedding to your guests. You will be able to see the variety of different products I offer as well as hold each in your hand. Being able to see and touch the heirloom quality products in person is one of the most valuable aspects of our ordering session together. We will also take the time to discuss what items or collections will best fit your needs. Print collections start at $430 and averge client investment varries depending on wedding size and personal selection. If you would like a full price list ahead of time please let me know and I will happy to email it to you.
